

Illuminate – Student Portal Access – Turning it on and Off (Mar 2019)

Student who use their access to Illuminate can see test scores and CORRECT or INCORRECT.
Students CAN NOT see the key to the test.

You have the option when setting up the test to “Show in Student and Parent Portal”

YES = students can see total score and Correct or Incorrect for each question - not the key

NO = students cannot see any scores or item results

To adjust to your preference:

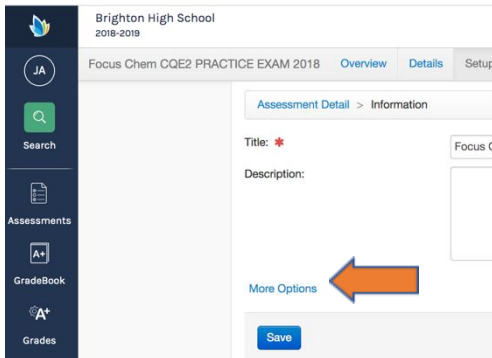

Open your assessment

Select → Set up

Select → Information

Select  More options

Under: SHOW IN STUDENT AND PARENT PORTAL

Default is YES – CLICK “NO” if you prefer no access at all and then Click SAVE
